THE DISTRIBUTION PROCESS

How do we get products to families in need?

WE PURCHASE 85% OF THE PRODUCT THAT GOES OUT THE DOOR

We distribute THOUSANDS of diapers and period products per month. Your cash donations enable us to provide essential items for families so they can live happy, healthy, and safe.

GENEROUS FOLKS DONATE PRODUCT

Individuals, businesses, churches, community groups (you name it!) all donate diapers, period products, adult incontinence supplies, and more to help lighten the load for their neighbors and friends.

AGENCIES PLACE REQUESTS FOR PRODUCT ONLINE

We partner with about 50 social service agencies. They are food pantries, churches, colleges, healthcare providers, and so much more. They are the pros at what they do.

VOLUNTEERS SORT, COUNT, AND PACK PRODUCT

We wouldn't exist without the volunteers who put in over 400 hours per month to wrap diapers, pack period kits, and do other tasks that enable us to get products out to the community.

AGENCIES PICK UP THEIR ORDERS ONCE PER MONTH

Our products become added incentives for each partner agency's ongoing programs. After pickup, the products head back to their offices for distribution.

CLIENTS PICK UP PRODUCT

Families pick up products from their agency so they don't have to make several stops. Thanks to you, people are happy, healthy, and safe because their basic needs are being met with dignity!
